

Yeelight Candela Lamp

Due to the combination of modern design, candle-like light and powerful battery, the Yeelight Candela Lamp is the perfect accessory for any room and summer nights on the terrace or balcony. Equipped with BLE mesh technology, up to 30 000 Candelas can be interconnected and controlled simultaneously. By turning on a single Candela, all Candelas are dimmed. The brightness can be set via smartphone* and the light can be switched off and on by the Yeelight app.

*Compatible with Android 4.4 (or higher) & iOS 8.0 (or higher)
